

How to compete in Your Golf Tour

Your Golf Tour is all about flexible competitive golf that you can fit around your work schedule. It's very simple to play the events and you can choose the day and time you wish to compete each week, subject to visitor availability at each course.

Follow the simple guidelines below to play an event

1. Sign up to create your own membership profile
2. Email details of your current club or "society" handicap to sales@yourgolftour.co.uk. If you don't have a handicap then please send 2 completed cards to Your Golf Tour, 94 New Street, Halsall, Lancs, L39 8RS. On receipt an official starting handicap will be allocated and entered on your profile page.
3. Select the competition you want to enter from the drop down list on the homepage and click on it to register
4. If you have a partner to play with simply contact the relevant club to arrange a convenient time to go and play your round. If you don't have a partner you can use the members forum to arrange a partner(s) to play with.
5. Pay your green fee and £3 comp fee in the pro shop before play and hand your card in at the pro shop on completion (If the shop is closed hand your card in at the bar or office).
6. The results for each week will appear on the website as soon as possible after the competition has finished.
7. All prizes will be sent to winners within 7 days (American Golf Vouchers)

IT'S THAT SIMPLE! EACH COMPETITION IS AVAILABLE EVERY DAY OF THE WEEK SO YOU CAN FIT YOUR COMPETITIVE GOLF AROUND YOUR WORK SCHEDULE AND A NEW COMPETITION STARTS EVERY MONDAY!
